EXPERIENCE

Front-End Developer <i>Alpha Developer Team LLP</i>	Oct 2024 – Nov 2025
– Developed responsive and user-friendly web interfaces using HTML5, CSS3, and JavaScript for desktop, tablet, and mobile devices. – Created and maintained responsive layouts with focus on usability, visual consistency, and cross-browser compatibility. – Worked on a job portal, managing and updating product information, pricing, stock availability, and website content. – Developed interactive UI components and frontend functionality to improve the overall user experience. – Worked with WordPress to create, update, and maintain website pages, layouts, and content. – Collaborated with developers and team members to implement frontend requirements and resolve UI-related issues. – Used Git and GitHub for source-code management, version control, and project collaboration.	

EDUCATION

Higher Secondary Education (XII) <i>Shri Ganesh Arts, Commerce & Science College Maharashtra State Board</i>	2020 – 2021
Bachelor of Science (Information Technology) <i>Sabarmati University, Ahmedabad, Gujarat</i>	2021 – 2024

PROJECTS

Tandoori Tales — Restaurant Web Application <i>React.js, Tailwind CSS</i>	Live Demo
– Developed a responsive restaurant web application with a modern and user-friendly interface using React.js and Tailwind CSS. – Implemented menu filtering for Veg, Non-Veg, and Starter food categories. – Built a shopping cart with quantity controls, item removal, and automatic total bill calculation. – Implemented localStorage to persist cart data across browser sessions. – Designed responsive layouts for desktop, tablet, and mobile devices.	

JoshiWada Palace Pune — Luxury Heritage Hotel Website

[Live Demo](#)

React 19, Vite, Tailwind CSS, Framer Motion

- Developed a luxury heritage hotel and restaurant website with a modern and responsive user interface.
- Implemented an interactive **room booking flow** covering different room types and booking interactions.
- Developed a restaurant food-ordering interface with menu browsing, cart functionality, and order interactions.
- Added guest reviews and a local sightseeing guide to improve the overall visitor experience.
- Implemented multilingual support for **English, Hindi, and Marathi**.
- Built the project as a **100% client-side demo**, keeping login, booking, and cart data within the browser.
